### STANDARD GLOVES

To order standard gloves, smooth neoprene dipped finish use the new part numbers listed above. For items listed below, call for new part number or see attached list. If doing a repeat order, Action Filtration part number will be on your previous invoice.

### TEXTURED GLOVES

Gloves with a textured neoprene finish

### SMALLER HAND GLOVES

Normal gloves have a large size hand. This neoprene glove is blue in color, has a light texture, and is more pliable than our normal black neoprene glove. This glove has been tested and demonstrates the same durability in the shot stream as our standard neoprene gloves.

### NATURAL RUBBER

Natural rubber glove

### CUSTOM GLOVE SIZES

Custom gloves sizes are available on request. We also offer a lined sleeve for special orders. Call us today for a quote on your blast cabinet needs.
